

Rite-On harness

A new comfortable harness has been added to the North fall protection range; the **Rite-On**.

The RITE-ON harness (NHRITEON and NHRITEON-T) is designed with one thing in mind: Simplicity. The harness is engineered with a comfort pad to make the donning of a harness a breeze. The NHRITEON-T version comes with a trapeze harness to safeguard against fall trauma.

Features and Benefits:

- Bayonet style connectors allow the user to connect in a single motion, no fumbling or adjusting needed.
- The harness with memory: adjust it once and the Rite-On will fit without any alteration.
- Extended D-ring: for safe and quick attachment to the connecting device.
- Lightweight polyester webbing offers better chemical resistance and a lighter weight harness.
