

### Banded Earplugs HRB1 DUOFLANGE BAND

<b>Description</b>	Duoflange Banded Earplug
--------------------	--------------------------

<b>Physical Properties</b>	The unique feature of the SB2000 is that the plug is permanently moulded to the band. The earplugs are low pressure, which virtually eliminates pressure on the ear canal. Comfortable for long term use. The band is non-toxic, non-irritating, durable and cleans with soap and water.
----------------------------	--

<b>Attenuation</b>	NRR 28dB
--------------------	----------

<b>Standards</b>	EN 352-2, SABS compliant
------------------	--------------------------

<b>Uses</b>	Reusable ear band for extended wear
-------------	-------------------------------------

<b>Precautions</b>	Do not use where noise levels exceed 100dB. To ensure maximum protection always use as directed on the packaging.
